DESCRIPTION

Baltasar Gracián is the main range of the winery. High altitude vineyards, different orientations and exceptional slate and gravel soils, which, together with the antiquity of its traditional, bush vines, produce grapes harvests of exceptional quality.

VINEYARD CHARACTERISTICS

From old and dry-farmed Garnacha vines, with low production and located in different places of the Sierra Vicort at 900 meters of altitude.

WINEMAKING

Delicate maceration of hand picked, destemmed and uncrossed garnacha grapes in concrete tanks. Refined in underground concrete tanks.

TASTING NOTES

Its bright red cherry colour with purple hints on the edges anticipates its fruitiness and balance. Rich in sensations with aromas of cherry, plum and red fruits. Round and full-bodied.
