Reserva

DESCRIPTION

Baltasar Gracián is the main range of the winery. High altitude vineyards, different orientations and exceptional slate and gravel soils, which, together with the antiquity of its traditional, bush vines, produce grapes harvests of exceptional quality.

VINEYARD CHARACTERISTICS

Old vines located in several plots of Sierra Vicort, with soils of clay and colluvium.

WINEMAKING

A long-maceration wine made from Garnacha and Syrah, hand-harvested and elaborated separately. Aged for 12 months in 225-liter French oak barrels; for this wine, barrels were selected for their greater ageing potential and capacity for evolution.

TASTING NOTES

Its colour is crimson of medium intensity. A touch of toasted bread, clove, candied fruit, almonds, fig and cocoa. Notes derived from the ageing persist in the mouth together with a smooth tannin that makes it subtle and elegant on the palate.
